

Help Wanted/Fulltime
Village of Boyceville Public Works

The Village of Boyceville has a full-time position open in the Public Works Dept. Job duties would be in all phases of public works to include but not limited to water, wastewater, streets, buildings and grounds. Must be able to work a three-week rotating "on call" schedule. Work unsupervised in all types of weather and be physically able to perform all job duties to include routinely lifting 75lbs. You will be required to obtain a Class B CDL in 6 months and DNR Certification in Water (Groundwater and Distribution) and Wastewater (General, Ponds, Phosphorus Removal, Disinfection and Filtration) In a reasonable amount of time. The Village will assist with training.

Starting wage is \$20.50/hr. (\$21.00 w/class B CDL). Benefits include health and life insurance, vacation, sick time and enrollment in the state retirement system. This position will remain open until it is filled. Any questions please call Don Rose at 715-702-2593.
